Good Afternoon, Demons Supporters, Young and Old

This afternoon we have the opportunity of seeing the South Melbourne GUNNERS in action, a team our Coach Rale Rasic has tipped as one of the main contenders this season to take out the P.S.L. Premiership. With his knowledge of the game, Rale will not be far out in his judgment and obtained results so far by the Gunners are sufficient proof that they are well on the way to do this.

The Gunners are a formidable side with many excellent players and our boys will have a tremendous task ahead of them this afternoon.

To introduce the Gunners, let's start from the back where Peter Laumets is performing well between the posts, just so perfectly backed up by Vince Bannon, Steve Blair and their outstanding stopper Arthur Xanthopoulos. In midfield we find Bill Rogers, a former Leichhardt player, George Christopoulos, with sweeper Bertie Lutton, former Sydney Slicker. Then there is Jim Shira, who played with Dundee F.C., Branko Buljevic, who transferred from Heidelberg, John Stevenson also ex Sydney City, and Alun Evans, ex Walsall, both strikers who find their target with regularity. Besides the players mentioned there are also in their squad Alan Davidson, Sammy Wright, ex Wolverhampton, Chris Kalafatidis, Socrates Nicolaides, George Campbell, Robert Stewart, only 19 years old and striker who came from Hearts of Midlothian. Another 20 year old striker Steve Kakantonis, who came up through the South Melbourne Junior ranks and Lou Tsigras, standby goalkeeper, also a local product from Victorian Juniors.

Our own team does not need any introduction as we well know what determined fighters they are and never give up before the final whistle. The stronger their opponents, the better they perform and rise to the occasion of playing one of the top teams. On paper we may appear to be underdogs, but the Demons have been this on lots of occasions in the past and caused as such many so-called upsets. To underestimate our team would be a great mistake and in last season Marconi became the victim of this attitude. Sydney Olympians earlier in the season held the strong Gunners to a draw and I cannot see why our boys could not go one better. After all football is a game full of surprises.

Whatever the outcome of the game we welcome the Gunners and their followers of Greek origin and hope that both teams will entertain us with a great game of football.

We wish you all an enjoyable afternoon.

Rale's Angle

Don't despair! The Blacktown Demons are gradually taking shape. We have now played 5 league games and one Philips Cup Match and my conclusion is that we have not been inferior to other clubs in the P.S.L.

While we are still searching for a win, I feel we have achieved some credible results against strong opposition.

Draws against Newcastle and Wollongong testify to that. Our other point was earned against Brisbane Lions, another useful team. Today, we entertain South Melbourne, one of the teams I rate very strongly for the title.

When the P.S.L. started in 1977 South Melbourne were expected to be one of the glamour teams. Despite the club's big spending the team struggled and could do no better than finish 11th. Souths fared better the following year, but in 1979 the club was rock bottom and lucky to stay in the League when promotion and relegation was introduced. But today South Melbourne is a real power—they come to the Gabbie Stadium as the P.S.L. front runners.

Their coach, John Margaritis, bought wisely adding former Sydney City mid-fielder John Stevenson and U.K. mid-fielder Jim Shirra to his outfit. I have the greatest respect for Billie Rogers, Branko Buljevic and Alun Evans—players who give the team real maturity. And in Alan Davidson they have a super young player. Things didn't happen overnight in South Melbourne.

We have 3 points in the League and I'm sure we'll collect many more. We are building our own style, but it takes time—just look at South Melbourne now!

When you have a star player like John Djorjevic out injured it makes things difficult. Today he returns from injury but unfortunately we are without Ricky Hormazabal, out suspended.

I was very pleased with the performance of Paul Burrows in his debut match for the club in the Philips Cup match against Sydney City last Sunday. Because of his mobility he fitted in with the pattern of our play.

RALE RASIC, Coach.

INTER-DISTRICT YOUTH SCENE

Sponsored by BRIAN COLLINS MOTOR CYCLES

The 3 Youth Teams started off the season on a promising note when in their opening games, they scored a total of 15 goals with nil against. The Under 14 team was the highest scoring team of the day with a 9-0 win over South-Eastern District, while the Under 15's and Under 16's each chalked up a 3-0 win against the same club. Good team- and lead-up work enabled Michael Rolls, Randal Easthorpe and Robert Turch to score the first goals for their respective teams in the 1981 season.

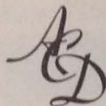

The success of the day led up to a very festive atmosphere when the parents, players and officials all gathered together for an excellent barbecue organised by Mr. Ray Tunbridge, Youth Co-Ordinator, after the final match of the day. It was a real "GET TO KNOW YOU" function and it was not long before everybody did get acquainted with each other. Not just with their son's teammates and parents, but with the families of other players as well in the various grades.

Mr. Ray Tunbridge could not have expressed himself in a better way when he told all parents and players that Blacktown City Demons were not just ONE TEAM but a CLUB for ALL TEAMS AND PLAYERS, irrespective of the age groups and competitions they are participating in.

The popularity of this function was proved when it was not until 8 p.m. that the last families left.

To the players I wish to close with a word of advice. Even though you all had, what was in my opinion, an easy start to the season, you will meet with much stiffer opposition in the forthcoming matches and future victories will not come so easily as the ones the teams gained today. You all will have to give everything you have got and can only look back on the games played this afternoon as HISTORY. I hope you all get the message.

P.S.L. YOUTH

The selection, training and coaching of young players in Australia is improving slowly through Youth Schemes such as ours.

Some of the qualities we look for in our young players are the techniques and skills involved in passing, shooting, heading and ball control, appetite for play, power and speed capabilities, good living habits, discipline, attitude, character and ambition and the realisation that in order to achieve that ambition and become an exceptional player rather than an ordinary player, then they must be prepared for some self denial of leisure time.

Many players arrive at the club with a positional tag already attached to them that being the only position they have ever played in their short soccer lives. In other words they have been categorized into this position far too early.

It is important that young players learn about defensive and attacking duties in all parts of the field to help them understand the game and prepare them for the years ahead as soccer players. The only way to learn is by practical experience. By categorizing a young player with a positional tag coaches are, in the long term, limiting the range of techniques and skills he will attempt to master, the area of the pitch he will play in, and his general approach to the game.

Coaches, then, should be extending a young player's horizons and not limiting them.
